

# Fliginger Shorthorn Farms

**PRODUCTION SALE**

**(SHORTHORNS AT THEIR BEST)**

**SATURDAY, NOV. 6, 1965**

# Sale Information

## Time and Place—

Saturday, November 6, 1965, one o'clock, at Fliginger Farms, Hurley, S. D. Located 10 miles south, 2 east of Marion, S. D.; 7 miles west of Hurley, S. D.; or 10 miles east and 1 3/4 north of Meridian, where highways 18 and 81 cross.

## Transportation—

There are daily flights to Sioux Falls and we would be happy to provide transportation to the farm. Please notify us in advance of your arrival. Telephone: 648-3544.

## Motel Accommodations—

The Holiday Inn is located across the road from the Airport.

## Auctioneer—

Dick Kane, Wisner, Nebraska

**NOTE**—Gene Ahlman, Winner, S. D., one of the very best commercial productions of Shorthorns, will add a small bunch of extra select 4-H steer calves at this sale.

## Terms—

The terms of this sale are cash.

## Liability—

Fliginger Farms, its owners, or employees, accept no liability for accidents that may occur.

## Bids—

Those wishing to buy who cannot be present may leave their bids with or send them to Bill Stunkel of The Short-horn World; Ted Aegerter, Assistant Secretary of the American Shorthorn Breeders Association or Dick Kane, Auctioneer, Wisner, Nebraska.

## Lunch—

We encourage all to arrive early November 6th and inspect the sale cattle. We cordially invite you to be our guests at a noon luncheon served at 11:00 o'clock. Come and join your friends. The Lassie organization will have lunch available in the afternoon.

# STANDARD GUARANTEE

of

## AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such a case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made

by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

### ETTRICK GOLD COIN AND FAMILY

There is no doubt that Gold Coin is one of the great sires to leave Canada for the U. S. His influence can be noted in this picture. His calves have won favor with some of the best cow men of the west. Both his heifers and bulls are near perfect headed, big, rugged, with feet and legs that can not be faulted. Long rumped and smooth brisket,

they are the cow man's kind of cattle. His influence on the polled section of our breed can only be fully appreciated when you see Cedar Ridge Gold Coin, his son in service in the Dave Brockmueller herd. He was rated AA by our national classifier. We are selling thirteen bulls and eight heifers by him plus cows bred to him.

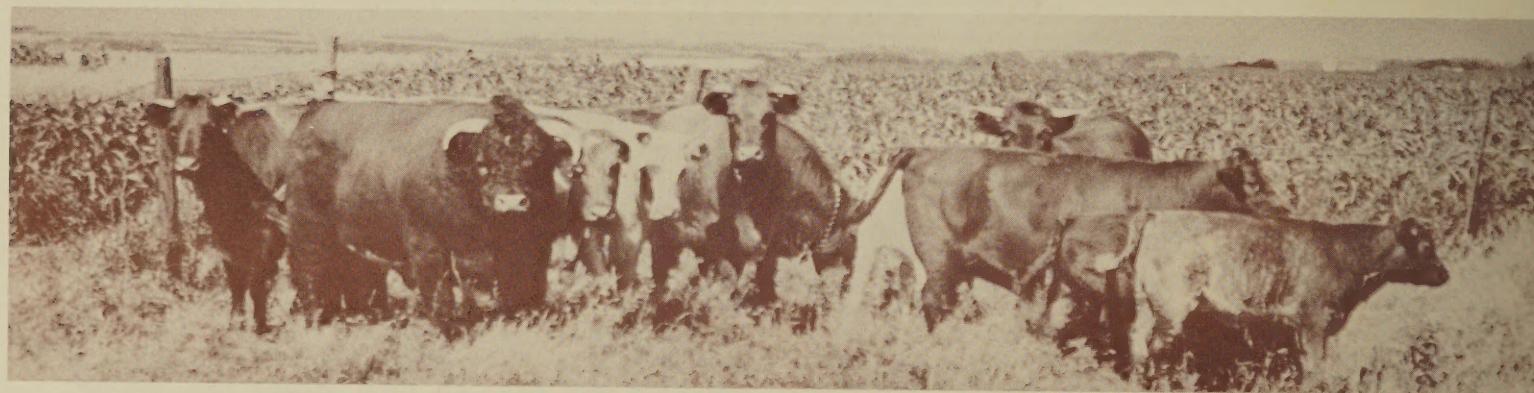

**NORTHWOOD PIONEER PILOT** and a small part of his family. 5 bulls and 2 heifers  
by him sell. He is service sire of many more.

**NORTH WOOD ROAN CHIEF** service sire of quite a number of females in the  
sale. A few calves by him at side. It looks like his get will be worth a long haul.  
They look very good to us. He has really developed into a real herd sire.

**BILMAR WASP** and his family. Quite a number of females carry his valuable service. Here is new blood at its very best.

**NORTHWOOD HERITAGE**, another son of Baption Pioneer out of Glastullich Ellen Rosewood. His pedigree is the very best. He is a massive, thick beast that is siring the kind of calves we hoped for. His first calves will be featured in next year's sale.

The bulls pictured here nearly all sell in this sale. You will note that they are on pasture. They will stay on pasture just as long as it holds out, after that they will be fed silage, with a very small grain feed and only natural protein. No drugs, no chemicals and no tricks. They will be at nature's best to go on and reproduce for their new owners. We started this program three years ago, have sold nearly 100 bulls all over the midwest, and have not had one complaint that one of our bulls was a non-breeder. It is hard to win a show with cattle

in breeding shape, but we believe that good breeding cattle is much more important to our custmers than a room full of trophies and ribbons. Do not come and expect over fat pen fed bulls. In our opinion that kind should be sold for slaughter because they rarely turn out to be real herd sires. Note their bred character, their beautiful heads, sound legs and feet, their trim briskets and long rumps. These are cow man's bull's at their best. Take your pick: red, roan or white.

**Reference Sire No. 1**

Bilmar Witness and part of the 1964 heifer crop—8 by Gold Coin; 2 by Northwood Pioneer—sell in this sale bred to him. 8 heifers by Macbeth Banner, sell mated to Northwood Roan Chief. 11 females by Prince Bob 5th. This is the first time we have offered females in numbers. In the past all the top females were kept in the herd, and those that were not good enough were sold for slaughter. No cow dared miss a calf or have two poor ones. If she did she

lost her home. The result has been that we have only castrated one calf in the past nine years—that was a steer project for Vernetta Schmeichel. She won a purple in the county and was a purple ribbon winner at the State Fair. Every calf at side, and every female carrying service should produce a future herd sire. Here is a rare opportunity to lay foundation of uniform females or to further your present herd.

### THE SHORTHORN INFLUENCE

Ten years ago, a Hereford breeder stopped in and saw what he liked, and bought the first Shorthorn bull from us for cross-breeding. Although at that time feeders were cautious and did not pay up for cross-bred cattle, he felt he was making money because of the extra weight and vigor he was getting in his calves. This of course has all changed. The calves still weigh more. They bring a better price than straight-bred cattle and are healthier and more vigorous and gain better.

No one in the commercial cattle business, no matter what color or breed of cattle, can afford not to have the Shorthorn influence. A Shorthorn Bull can be bought for about the same price as any other breed, and the return will be so much more. So if you would like a new and better way of life, enjoy some of the better things that you have wanted so long, just remember that the Shorthorn influence costs so little and helps so much.

Augusta Highland sells open; is a great 4-H project prospect. (With breeding privilege if desired)

In this catalog we here at Fliginger Shorthorn Farms have tried to give you a picture story of what we have, and what we are trying to do. Shorthorns have been good to us. They have given us a life that has been full of the better things, provided for our every need, and now have multiplied to the point where we wish to share our good fortune with others. They have also given us you our friends all over this country and Canada. This we treasure more than any other thing. Many sincere thanks for your past patronage and kind and friendly associations. We will do our utmost to be worthy of your continued patronage and friendship.

We realize well that in this life we travel this road but once. On it we would like to leave a few clear tracks that will lead many cattle men toward a better beef production and a little better way of life, and a little better world to live in for many. That is our aim and wish for our customers and friends.

Again we would like to say, do all come on November 6th. It will be home coming for our friends and customers and we do hope the making of many new friends and customers.

MR. AND MRS. C. R. FLIGINGER
